Bellman, C. 2017. The changing landscape of primary care: multidisciplinary community providers: Irrespective of the outcome of the general election next month, pressures on the NHS will continue for the foreseeable future. For now, at least, the ambitious visions for the future of primary care -- set out in the NHS Five Year Forward View -- are beginning to deliver results. One model is the multidisciplinary community provider (MCPs). But where do general practice nurses fit in? Practice Nurse. 47, 5 (2017).
