

PSHE EDUCATION and CITIZENSHIP

Texts, books and website links for the PGCE Primary Course: PSHE Education module. Please note that the forthcoming new statutory status of Relationships and Health Education in 2020 is likely to mean that new titles will be added throughout the year, as and when new titles and documents are published in line with the new curriculum. Please therefore take careful note of published dates, and reflect on their relevance in relation to the new curriculum, as there may be some discrepancies in light of this upcoming change.
